Natasha,

Thank you for this helpful write-up. (b) (5)

Pedro, Gurney and I are speaking later this week to get on the same page and will likely discuss this. Given your schedule, I don't want to try and rush something tomorrow. So let's circle around Monday or early next week.

All,

Robert and I are working on this request together, so please include him in future communications.

I am only available tomorrow morning, and even then, in a very limited way (prior to 0900 and from 1130-1200). I am not available after noon or at all on Friday.

Natasha and I were planning on circling around after the Monday production to discuss further, but I've been working on two other filings and haven't been able to reach out. Let's touch base by the end of the week.

Hi Gabe and Natasha,  
I am reaching out to see if there has been a determination about (b) (5) for this request. I am beginning to review documents for the 4th production and was under the impression that (b) (5) [REDACTED]  
[REDACTED] With all that said, has a decision along these lines been made?

Thanks,

Justin
